The Southern Trail Rides celebrated their 10th year in 2008 and their 100th event! The simple format has proved a huge success; choose from three distances to suit your ability and follow the fully marked route around some of the South's top riding areas!

You get a route map as well, free **SIS energy drink** and refreshments on sale at the event centre, plus emergency support if needed. This really is great riding made simple!

Event distances are suitable for beginners and families through to experts.
